

COMMISSION DIRECTIVEADMINISTRATIVE MATTERS ☐DATE August 29, 2007MOTOR CARRIER MATTERS ☐DOCKET NO. 2007-287-GUTILITIES MATTERS ☒**SUBJECT:**

DOCKET NO. 2007-287-G - Request for Rulemaking Regarding Gas Meters – Discuss with the Commission a Request for Rulemaking Filed by Yuri Freeman.

COMMISSION ACTION:

Mr. Freeman's letter is ambiguous concerning the relief being sought. However, in his letter Mr. Freeman does ask for the regulations to be changed. The Commission is presently considering revisions to its electric and gas regulations and will accept Mr. Freeman's comments regarding the meter testing schedule and appropriate estimation of usage, and consider them in that proceeding. Therefore, I do not believe that a new rulemaking proceeding is necessary. To the extent that Mr. Freeman may be requesting other relief, I move that the Commission delay any action concerning such relief to allow time for Piedmont Natural Gas Company to pursue discussions with Mr. Freeman and for the parties to report back to the Commission on the results of those discussions.
